Madhav Shikshan Kendra (Value Based education) Report

Keshav Srushti's Madhav Shikshan Kendra's (Value Based Education) main objective is that students should learn Life skills thro' team activities, they should know our tradition and values, educate students the basic concepts thro' games which they can easily adapt and remember. They should read, write and calculate as per their academic age.

MSK activities during the year:

1. Conducting regular classes before / after the school for two hours throughout the year (April and May – Summer Holidays)
2. To arrange lectures for Marathi, English Language and Maths
3. To demonstrate experiments of Science using small instruments which helps them to increase interest in science subject.
4. To organize book reading sessions
5. To conduct trainings and games on Personality development, Presentation skills, Communication skills, Creative thinking etc.
6. To organize Teachers' Training once in a month or two.
7. To organize various social activities on regular basis
8. To celebrate various festivals.
9. To organize Summer camp
10. To organize various competitions like Sports day, Drawing, Elocution, Fun Cookery, Singing, Art & Craft etc.

All festivals are celebrated in MSK and importance of each festival is taught to students by teachers. A lot of competitions are held for students to encourage students to come forward and participate. In addition to Academics, the teachers also teach life skills to students. They believe students should get excel in sports and therefore, one day is reserved only for sports where their cultural games Ringostic, Kho Kho etc. they can play.
